HING YIP HOLDINGS LIMITED

興業控股有限公司

(Incorporated in Bermuda with limited liability)

(Stock code: 00132)

DISCLOSEABLE TRANSACTION ENTERING INTO A FINANCE LEASE AS THE LESSOR

On 23 October 2025, Greengold Leasing, a subsidiary of the Company, entered into the Finance Lease with the Lessees, to obtain the ownership of the Assets from the Lessees at a consideration of RMB30,000,000 (equivalent to approximately HK\$32,730,000), which would be leased back to the Lessees for their use and possession for a term of 5 years.

As one of the applicable percentage ratios for the transactions contemplated under the Finance Lease and Incidental Documentation exceeds 5% but all of them are less than 25%, the entering into of the Finance Lease and Incidental Documentation constitutes a discloseable transaction for the Company under the Listing Rules.

THE FINANCE LEASE AND INCIDENTAL DOCUMENTATION

The Board is pleased to announce that Greengold Leasing entered into the Finance Lease and Incidental Documentation, the principal terms of which are as follows:–

Date of the Finance Lease

23 October 2025

The Finance Lease will take effect upon compliance of the applicable requirements of the Listing Rules by the Company.

Parties

- (1) Greengold Leasing, a subsidiary of the Company, as the lessor;
- (2) the Lessees; and

(3) the Guarantors (in relation to the relevant guarantee) and the Pledgors (in relation to the relevant pledge).

To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, the Lessees, the Guarantors, the Pledgors and their ultimate beneficial owners are Independent Third Parties.

Transfer of Assets and consideration

Greengold Leasing will be transferred the unencumbered ownership of the Assets from the Lessees on an "as-is" basis at the consideration of RMB30,000,000 (equivalent to approximately HK\$32,730,000) in cash, payable within 12 months from the date of the Finance Lease. The transfer agreement was entered into between Greengold Leasing and the Lessees on the date of the Finance Lease, effecting the terms of the Finance Lease in relation to the above-mentioned transfer of the Assets from the Lessees to Greengold Leasing.

Such consideration or financing amount was determined following arm's length negotiations by the parties to the Finance Lease with reference to the original cost of the Assets of approximately RMB48,869,000 (equivalent to approximately HK\$53,316,000), and their state including serviceable condition and depreciable life, which were reviewed by Greengold Leasing's experienced leasing team. The consideration amount for the transfer of ownership of the Assets will be funded through the internal resources of the Group and/or external banking facilities.

Lease period

Greengold Leasing will lease back the Assets to the Lessees for their use and possession for a term of 5 years commencing from the day the consideration for the Assets transfer has been paid by Greengold Leasing.

Payments under the Finance Lease

The total amount of payments for the Finance Lease is approximately RMB36,038,000 (equivalent to approximately HK\$39,317,000), comprising (a) the lease principal payment of RMB30,000,000 (equivalent to approximately HK\$32,730,000) and (b) the aggregate lease interest and other fees and expenses under the Incidental Documentation of approximately RMB6,038,000 (equivalent to approximately HK\$6,587,000). Both the lease principal and interest will be paid monthly over the lease period.

The terms of the Finance Lease, including the lease principal and interest, were determined after arm's length negotiations between the parties to the Finance Lease with reference to the lending and interest rate environment including the loan prime rate published by the National Interbank Funding Center from time to time (for reference purpose, the prevailing loan prime rate was 3% as at the date of the Finance Lease), and adjustments taking into account the principal amount of the Finance Lease and availability of funds, the interest risk of financing and servicing costs over the lease period, the credit risks associated and the overall return target and risk tolerance of the Group for the Finance Lease on a case by case basis.

Termination and transfer of the Assets to the Lessees

The Lessees may terminate the Finance Lease provided that all outstanding amounts due thereunder and a compensation equivalent to 20% of the total outstanding lease interest amount as at the time of early termination have been settled. At the end of the lease period or in the event of an early termination of the Finance Lease, subject to the settlement of all outstanding amounts due, the Lessees had agreed to purchase the Assets at a nominal purchase price of RMB100 (equivalent to approximately HK\$109.1).

Guarantee deposit

The Lessees will pay an interest-free deposit of RMB300,000 (equivalent to approximately HK\$327,000) to Greengold Leasing on the same day the consideration for the Assets transfer has been paid by Greengold Leasing to secure their payment obligations under the Finance Lease.

Guarantees

The Guarantors had executed guarantees on the date of the Finance Lease guaranteeing Greengold Leasing, effectively on a joint and several basis, the due and punctual settlement of any and all amount payable by the Lessees under the Finance Lease.

Pledges

Pursuant to the asset pledge agreement entered into between Greengold Leasing and the Lessees on the date of the Finance Lease, although the ownership of the Assets shall be transferred to Greengold Leasing as lessor as part of the Finance Lease, the Assets are treated as security of payment obligations of the Lessees under the Finance Lease and the Lessees may continue to utilize the Assets during the lease term.

Each of Lessee 1, Lessee 2 and Lessee 3 had executed a receivables pledge agreement in favour of Greengold Leasing respectively, pledging their respective rights in receivables under a heat supply permit and its supplemental documentation, as security of their payment obligations under the Finance Lease.

Guarantor 4 had executed an equity pledge agreement in favour of Greengold Leasing, pledging 100% of his shareholding interests in Lessee 2, as security of the Lessees' payment obligations under the Finance Lease.

Each of Pledgor 1 and Pledgor 2 had executed an equity pledge agreement in favour of Greengold Leasing respectively, pledging 90% and 10% of their respective shareholding interests in Lessee 3, as security of the Lessees' payment obligations under the Finance Lease.

Pledgor 1 had also executed an equity pledge agreement in favour of Greengold Leasing, pledging 100% of her shareholding interests in Lessee 1, as security of the Lessees' payment obligations under the Finance Lease.

Additionally, each of Pledgor 3 and Pledgor 4 had executed a pledge agreement in favour of Greengold Leasing respectively, pledging 100% interests of their respective bank account, as security of the Lessees' payment obligations under the Finance Lease.

REASONS FOR AND BENEFITS OF ENTERING INTO THE FINANCE LEASE AND INCIDENTAL DOCUMENTATION

The entering into of the Finance Lease and Incidental Documentation is part of Greengold Leasing's ordinary and usual course of business and is expected to provide a stable revenue and cashflow to the Group.

The Directors consider that the Finance Lease and Incidental Documentation and the transactions contemplated thereunder are on normal commercial terms which are made on an arm's length basis and are fair and reasonable and in the best interests of the Group and the Shareholders as a whole.

INFORMATION ON THE ASSETS

The Assets comprise certain designated heat supply equipment and facilities of the Lessees situated in Changchun City, Jilin Province, the PRC.

The Lessees will bear any maintenance, taxation and other costs and levies associated with the Assets.

LISTING RULES IMPLICATION

As one of the applicable percentage ratios for the transactions contemplated under the Finance Lease and Incidental Documentation exceeds 5% but all of them are less than 25%, the entering into of the Finance Lease and Incidental Documentation constitutes a discloseable transaction for the Company under the Listing Rules.

PRINCIPAL BUSINESSES OF THE PARTIES
