CHINA INVESTMENTS HOLDINGS LIMITED

中國興業控股有限公司*

(Incorporated in Bermuda with limited liability)

(Stock code: 132)

**DISCLOSEABLE TRANSACTION
ENTERING INTO A FINANCE LEASE AS THE LESSOR**

On 14 September 2021, Greengold Leasing, a subsidiary of the Company, entered into the Finance Lease with the Lessee, to obtain the ownership of the Assets from the Lessee for RMB5,000,000 (equivalent to approximately HK\$6,030,000), which would be leased back to the Lessee for its use and possession for a term of 6 years.

Reference is made to the Existing Finance Lease and Documentation dated 22 October 2020 entered into between Greengold Leasing and the Lessee, pursuant to which the applicable percentage ratios for the transactions contemplated thereunder were less than 5% and hence exempt from the disclosure requirements under Chapter 14 of the Listing Rules. The transactions contemplated under the Finance Lease are required to be aggregated with the transactions under the Existing Finance Leases pursuant to Rule 14.22 of the Listing Rules.

As the applicable percentage ratios for the transactions contemplated under the Finance Lease and Incidental Documentation, when calculated on an aggregated basis with the transactions under the Existing Finance Leases and Documentation, exceed 5% but are less than 25%, the entering into of the Finance Lease and Incidental Documentation constitute a discloseable transaction for the Company under the Listing Rules.

THE FINANCE LEASE AND THE INCIDENTAL DOCUMENTATION

The Board is pleased to announce that Greengold Leasing entered into the Finance Lease and the Incidental Documentation, the principal terms of which are as follows:–

Date of the Finance Lease:

14 September 2021

The Finance Lease would be effective upon compliance of the applicable requirements of the Listing Rules by the Company.

Parties:

- (1) Greengold Leasing, a subsidiary of the Company, as the lessor;
- (2) the Lessee; and
- (3) the Guarantors (in relation to the relevant guarantee).

To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, the Lessee, the Guarantors and their ultimate beneficial owner are Independent Third Parties.

Transfer of Assets and consideration

Greengold Leasing will be transferred the unencumbered ownership of the Assets from the Lessee on an "as-is" basis at the consideration of RMB5,000,000 (equivalent to approximately HK\$6,030,000) in cash, payable within 12 months from the date of the Finance Lease. The transfer agreement was entered into between Greengold Leasing and the Lessee on the date of the Finance Lease, effecting the terms of the Finance Lease in relation to the transfer of the Assets from the Lessee to Greengold Leasing above.

Such consideration amount was determined following arm's length negotiations by the parties with reference to the original cost of the Assets of approximately RMB7,025,000 (equivalent to approximately HK\$8,472,000), and their state, which were reviewed by Greengold Leasing's experienced leasing team. The consideration amount for the acquisition of the Assets will be funded through the internal resources of the Group and/or external banking facilities.

Lease period

Greengold Leasing will lease back the Assets to the Lessee for its use and possession for a term of 6 years commencing from the day the consideration for the Assets transfer has been paid by Greengold Leasing.

Payments under the Finance Lease

The total amount of lease payments for the Finance Lease is approximately RMB6,707,000 (equivalent to approximately HK\$8,089,000), comprising (a) the lease principal payment of RMB5,000,000 (equivalent to approximately HK\$6,030,000) and (b) the aggregate lease interest and other fees and expenses under the Incidental Documentation of approximately RMB1,707,000 (equivalent to approximately HK\$2,059,000). Both the lease principal and interest will be paid every monthly over the lease period.

The terms of the Finance Lease, including the lease principal, lease interest, and other fees and expenses under the Incidental Documentation, were determined after arm's length negotiations between the parties to the Finance Lease with reference to the principal amount of the lease, the interest risk of financing, the prime lending rate published by the National Interbank Funding Center from time to time, the credit risks associated with the Finance Lease and the targeted overall return of the Group for the Finance Lease.

Termination and transfer of the Assets to the Lessee

The Lessee may terminate the Finance Lease provided that all outstanding amounts due thereunder and a compensation equivalent to 20 percent of the total outstanding lease interest amount as at the time of early termination have been settled. At the end of the lease period or in the event of an early termination of the Finance Lease, subject to the settlement of all outstanding amounts due, the Lessee had agreed to purchase the Assets at a nominal purchase price of RMB100 (equivalent to approximately HK\$120.6).

Guarantee deposit

The Lessee will pay an interest-free deposit of RMB250,000 (equivalent to approximately HK\$301,500) to Greengold Leasing on the same day the consideration for the Assets transfer has been paid by Greengold Leasing to secure its payment obligations under the Finance Lease.

Guarantee

The Guarantors had executed a guarantee on the date of the Finance Lease guaranteeing Greengold Leasing, effectively on a joint and several basis, the due and punctual settlement of any and all amount payable by the Lessee under the Finance Lease.

Pledges

Pursuant to the asset pledge agreement entered into between Greengold Lease and the Lessee, although the ownership of the Assets shall be transferred to Greengold Leasing as lessor as part of the Finance Lease, the Assets are treated as security of payment obligations of the Lessee under the Finance Lease and the Lessee may continue to utilize the Assets during the lease term.

Sino Prime had executed a share pledge agreement, pledging all the shareholding interests (representing RMB10,100,000 (equivalent to approximately HK\$12,181,000) in the Lessee in favour of Greengold Leasing for a term of 8 years, as security of the Lessee's payment obligations under the Finance Lease and the Existing Finance Lease.

REASONS FOR AND BENEFITS OF ENTERING INTO THE FINANCE LEASE AND INCIDENTAL DOCUMENTATION

The entering into of the Finance Lease and Incidental Documentation is part of Greengold Leasing's ordinary and usual course of business and is expected to provide a stable revenue and cashflow to the Group.

The Directors consider that the Finance Lease and Incidental Documentation and the transactions contemplated thereunder are on normal commercial terms which are made on an arm's length basis and are fair and reasonable and in the best interests of the Group and the Shareholders as a whole.

INFORMATION ON THE ASSETS

The Assets comprise certain equipments of a tap water plant situated in Ningde City, Fujian Province, the PRC.

The Lessee will bear any maintenance, taxation and other costs and levies associated with the Assets.

LISTING RULES IMPLICATION

Reference is made to the Existing Finance Lease and Documentation dated 22 October 2020 entered into between Greengold Leasing and the Lessee, pursuant to which the applicable percentage ratios for the transactions contemplated thereunder were less than 5% and hence exempt from the disclosure requirements under Chapter 14 of the Listing Rules. The transactions contemplated under the Finance Lease are required to be aggregated with the transactions under the Existing Finance Leases pursuant to the Rule 14.22 of the Listing Rules.

As the applicable percentage ratios for the transactions contemplated under the Finance Lease and Incidental Documentation, when calculated on an aggregated basis with the transactions under the Existing Finance Leases and Documentation, exceed 5% but are less than 25%, the entering into of the Finance Lease and Incidental Documentation constitute a discloseable transaction for the Company under the Listing Rules.

PRINCIPAL BUSINESSES OF THE PARTIES

The Group

The Group is principally engaged in hotel investment, management and operation, property investments in both properties held for sale and investment properties, finance leasing, wellness elderly care, big data and civil explosives businesses. Through its joint ventures and associated companies, the Group also participates and invests in fast growing sectors, including electric utilities in the PRC.
