**DISCLOSEABLE TRANSACTION
ENTERING INTO A FINANCE LEASE AS THE LESSOR**

On 1 June 2022, Greengold Leasing, a subsidiary of the Company, entered into the Finance Lease with the Lessee, to obtain the ownership of the Assets from the Lessee at the consideration of RMB30,000,000 (equivalent to approximately HK\$35,220,000), which would be leased back to the Lessee for its use and possession for a term of 5 years.

Reference is made to (1) the discloseable transaction announcement of the Company dated 25 November 2021 in relation to the entering into of the Existing Finance Lease 1, (2) the discloseable transaction announcement of the Company dated 14 January 2022 in relation to the entering into of the Existing Finance Lease 2, (3) the major transaction announcement of the Company dated 17 March 2022 in relation to the entering into of the Existing Finance Lease 3, and (4) the discloseable transaction announcement of the Company dated 20 April 2022 in relation to the entering into of the Existing Finance Lease 4. The Lessee of the Finance Lease is the same party as that in the Existing Finance Leases.

As some of the applicable percentage ratios for the transactions contemplated under the Finance Lease and Incidental Documentation on a standalone basis is more than 5% but all of them are less than 25%, the entering into of the Finance Lease and Incidental Documentation constitutes a discloseable transaction of the Company under the Listing Rules. The transactions contemplated under the Finance Lease and Incidental Documentation, when aggregated with the transactions under the Existing Finance Leases, still remain as a major transaction under the Listing Rules. Since the Company has complied with the major transaction requirements in respect of the transactions under the Existing Finance Leases as set out in the announcement of the Company dated 17 March 2022, the Company is not required to reclassify the transactions contemplated under the Finance Lease and Incidental Documentation by aggregating them with the transactions under the Existing Finance Leases. Therefore, the Finance Lease and Incidental Documentation shall only be subject to the reporting and announcement requirements under Chapter 14 of the Listing Rules.

THE FINANCE LEASE AND INCIDENTAL DOCUMENTATION

The Board is pleased to announce that Greengold Leasing entered into the Finance Lease and Incidental Documentation, the principal terms of which are as follows:–

Date of the Finance Lease:

1 June 2022

The Finance Lease will take effect upon compliance of the applicable requirements of the Listing Rules by the Company.

Parties:

- (1) Greengold Leasing, a subsidiary of the Company, as the lessor; and
- (2) the Lessee.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, the Lessee and its ultimate beneficial owner are Independent Third Parties.

Transfer of Assets and consideration

Greengold Leasing will be transferred the unencumbered ownership of the Assets from the Lessee on an “as-is” basis at the consideration of RMB30,000,000 (equivalent to approximately HK\$35,220,000) in cash, payable within 12 months from the date of the Finance Lease. The transfer agreement was entered into between Greengold Leasing and the Lessee on the date of the Finance Lease, effecting the terms of the Finance Lease in relation to the transfer of the Assets from the Lessee to Greengold Leasing above.

Such consideration amount was determined following arm's length negotiations by the parties to the Finance Lease with reference to the amount of the Assets of approximately RMB33,309,000 (equivalent to approximately HK\$39,105,000) as valued by an independent valuer as at 31 October 2021, and their state, which were reviewed by Greengold Leasing's experienced leasing team. The consideration amount for the ownership of the Assets will be funded through the internal resources of the Group and/or external banking facilities.

Lease period

Greengold Leasing will lease back the Assets to the Lessee for its use and possession for a term of 5 years commencing from the day the consideration for the Assets transfer has been paid by Greengold Leasing.

Payments under the Finance Lease

The total amount of lease payments for the Finance Lease is approximately RMB35,640,000 (equivalent to approximately HK\$41,841,000), comprising (a) the lease principal payment of RMB30,000,000 (equivalent to approximately HK\$35,220,000) and (b) the aggregate lease interest of approximately RMB5,640,000 (equivalent to approximately HK\$6,621,000). Both the lease principal and interest will be paid every three months over the lease period.

The terms of the Finance Lease, including the lease principal and interest, were determined after arm's length negotiations between the parties to the Finance Lease with reference to the lending and interest rate environment including the prime lending rate published by the National Interbank Funding Center from time to time (for reference purpose, the prevailing prime lending rate was 3.7% as at the date of the Finance Lease), and adjustments taking into account the principal amount of the Finance Lease and availability of funds, the interest risk of financing and servicing costs over the lease period, the credit risks associated and the targeted overall return and risk tolerance of the Group for the Finance Lease on a case by case basis.

Termination and transfer of the Assets to the Lessee

The Lessee may terminate the Finance Lease provided that all outstanding amounts due thereunder and a compensation equivalent to 20% of the total outstanding lease interest amount as at the time of early termination have been settled. At the end of the lease period or in the event of an early termination of the Finance Lease, subject to the settlement of all outstanding amounts due, the Lessee had agreed to purchase the Assets at a nominal purchase price of RMB1 (equivalent to approximately HK\$1.174).

REASONS FOR AND BENEFITS OF ENTERING INTO THE FINANCE LEASE AND INCIDENTAL DOCUMENTATION

The entering into of the Finance Lease and Incidental Documentation is part of Greengold Leasing's ordinary and usual course of business and is expected to provide a stable revenue and cashflow to the Group.

The Directors consider that the Finance Lease and Incidental Documentation and the transactions contemplated thereunder are on normal commercial terms which are made on an arm's length basis and are fair and reasonable and in the best interests of the Group and the Shareholders as a whole.

INFORMATION ON THE ASSETS

The Assets comprise designated facilities of Feihongguan* (飛鴻館) situated in Xiqiao Town, Nanhai District, Foshan City, Guangdong Province.

The Lessee will bear any maintenance, taxation and other costs and levies associated with the Assets.

The Lessee of the Finance Lease is the same party as that in the Existing Finance Leases.
